# International Training Program

**Carol Stock Kranowitz** has over 30 years of experience working with children, families, therapists and educators. She has authored and co-authored more than 10 books. Her most famous book, "**The Out-of-Sync Child**," is well acclaimed and globally used to understand and work with individuals with SPD. She has been a speaker at more than 400 workshops (national and international).

She is a Board Member of SPD Foundation and Editor-in-Chief of "**S.I. Focus**" magazine.
